

491—5.1(99D,99F) In general. For purposes of this chapter, the requirements placed upon an applicant shall become a requirement to the licensee once a license to race or operate a gaming facility has been granted. Every license is granted upon the condition that the license holder shall accept, observe, and enforce the rules and regulations of the commission. It is the affirmative responsibility and continuing duty of each officer, director, and employee of said license holder to comply with the requirements of the application and conditions of the license and to observe and enforce the rules. The holding of a license is a privilege. The burden of proving qualifications for the privilege to receive any license is on the licensee at all times. A licensee must accept all risks of adverse public notice or public opinion, embarrassment, criticism, or financial loss that may result from action with respect to a license. Licensees further covenant and agree to hold harmless and indemnify the Iowa racing and gaming commission from any claim arising from any action of the commission in connection with that license.
